The Council for Tobacco Research-U.S.A., Inc.
900 Third Avenue
New York, N.Y. 10022

Dear Dr. McAllister:

Thank you very much for your generous support of this year's Gordon Research Conference on Hormonal Carcinogenesis. Your assistance will help make this a successful meeting, and will help us continue the tradition of supporting junior as well as senior participants. As per your request, we will not use the Council's support for expenses of participants from the industrial sector.

I would be delighted if you or one of your colleagues would like to attend this year's meeting. I am enclosing an application form for this purpose. Please contact me directly if you have any questions, or if you would like additional information.

Again, please accept my sincere thanks for your interest and support. I believe this year's meeting will be particularly exciting, due in large measure to your support and that of other companies and foundations.

With best regards, I am

Sincerely yours,

George M. Stancel, Ph.D.
